THE PRINCE'S
COUNTRYSIDE
FUND

2020 Vision for Herefordshire's Family Farms

This project, funded by the Prince's Countryside Fund and run in conjunction with the Herefordshire Rural Hub, is now running at full capacity.

Participants have all had the opportunity to attend workshops on a range of subjects from succession planning to diversification.

Each farm is being treated on an individual basis with no two farms alike, a bespoke programme for each farm has been drawn up with further opportunities to access training.

A business mentor has been allocated to each farmer, to guide and lend support throughout this three year project, with the aim of strengthening the future viability of the family farm.

All terrain vehicles and quad bikes are being targeted by thieves in the County.

Quad Bikes and All-Terrain Vehicles are among the items most likely to be stolen in rural areas.

Owners are advised to take the following crime prevention measures to combat these thefts.

1. Secure any Quad bike inside a locked building (as near to the main dwelling as possible).
2. Remove keys.
3. Anchor the Quad down with a Heavy Duty chain and padlock.
4. Alarm the building if possible.
5. Take a photograph of the machine and keep safe any serial numbers if not road registered.
6. Fit a tracking device - we have recovered two quad bikes recently as a result of them being fitted with a tracker device.
7. Park larger vehicles in front of access doors to prevent easy access.
8. Mark or customise your property so it is easily identifiable. This can deter thieves and assist recovery if they are stolen

If you suspect offenders are on your premises and a crime is in progress, call the Police on 999

Further crime prevention advice can also be found on the West Mercia Police website, Crime & Safety section
