Helping Rural Businesses Thrive

Green Futures - 2019

Once again the Green Futures Team are working together to help Herefordshire farming businesses comply with cross compliance, environmental issues & legislation by organising seminars in the county

You are invited to attend one of the following seminars

Tuesday - 5th February 2019

2pm - 4pm

or

7pm - 9pm

New Cattle Market Canteen, The Livestock Market,
Roman Road, Hereford HR4 7AN

Topics to be covered:

- Cross compliance - including 2019 update and inspection issues.
- Basic Payment Scheme claim for 2019, Greening & EFAs
- Rural Crime issues
- Updates on Catchment Sensitive Farming funding
- Update on Environment Agency rules and regulations, including dealing with Farm Waste
- Information for farmers on soil management and water protection
- News of the Countryside Stewardship Schemes in 2019

To book a place please contact Herefordshire Rural Hub
Tel: 01432 353465 or Email: bookings@herefordshireruralhub.co.uk

When phoning or emailing, please tell us the name(s) of those people wishing to attend, the event (afternoon or evening) you wish to attend, and your contact telephone number or email address or return the attached booking form to us by post

NRoSO and BASIS points available
