3. Bypass update

HB presented a first idea of an advertisement for The Hereford Times campaign. The sub group will continue finalising this. The press release is likely to go tomorrow to launch the campaign.

The Board received an update from NW. Cabinet member decision to be taken tomorrow, or shortly after - options are start, pause and review or stop, for each project: South Wye Road and Bypass. There is not necessarily a timescale for the 'pause'.

Decision can be 'called in' - scrutiny meeting (3 councillors from 2 parties).

National govt support could potentially be called in by the HBB, if things don't go well.

HBB could also ask for a meeting with Jesse Norman and Bill Wiggin (local MPs), plus Midlands Engine (Sir John) and Midlands Connect (Maria Machancoses) representatives. Plus some businesses, Marches LEP chair, Hfd Business Board, Hfd Investment Partnership and Chamber. Meeting to be with each of the new political (cross political) group leaders, ask Hereford Administration too. Meeting to be early Sept. High level transport forum - strategic leaders session.

Action Sharon and Frank to discuss, set up

There are still some questions to ask Marches LEP re: funding, can it to be transferred etc.

Action - Frank
