Local Skills Improvement Plan

# Help us to help YOU

## Are you from one of these sectors?

**Engineering / Manufacturing**  
including **Food & Drink Production**

**Professional Services**

**Construction**  
including **Environmental Technologies**

**Health & Social Care**

## Do you employ staff? Then we need YOUR help

### What is the Marches LSIPs?

The **Local Skills Improvement Plan** - a DfE nationwide project. Shropshire Chamber has been selected by the DfE to undertake this work in the Marches, working closely with Herefordshire & Worcestershire Chamber.

### What is the purpose of the project?

To understand the skills training requirements in the next 3-5 years within different sectors. To bring together the views of employers and trainers to help look at innovative ways to deliver future training.

### How can you help?

We need your views on how you see training evolving in your sector. How have skills shortages changed how you work and does this give us innovative ideas for the future?

### Your voice is key to this being a success.

We ask that you fill in a one-off questionnaire, answer a series of text polls or share your thoughts 1:1 with our researchers (**in confidence of course**).

## Help ensure training meets the future head on
